EDUCATION

Bachelor Of Technology (IT)
J K K Munirajah College Of Technology
08/2020 - 06/2024   *ERODE, GPA: 7.89*

SKILLS

Html · Css · Javascript · React.Js · Express.Js · Node.Js · Mangodb · Github · Python · UI/UX

PERSONAL PROJECTS

Image Prediction and Video Detection System (02/2024 - 04/2024)
- Real-time image prediction using pre-trained deep learning models
- Video detection with live stream processing via OpenCV
- Integrated Flask for backend processing and API handling
- Interactive HTML/CSS frontend for user input and result visualization.

Doctor Appointment Online Booking System (MERN Stack): (08/2024 - 09/2024)
- Developed a web-based platform that allows patients to search for doctors based on specialties and location, and book appointments
- Built secure user authentication using JWT and created RESTful APIs to handle appointment bookings and manage doctor schedules
- Implemented a responsive UI using React.js to ensure accessibility on both mobile and desktop devices.

Netflix Clone(Vite,React,Firebase) (07/2024 - 08/2024)
- Built a Netflix clone using React for the front-end, Vite for fast development and build, and Firebase for authentication and data storage
- Implemented user authentication using Firebase Authentication, allowing users to log in with email/password or Google Sign-In
- Styled the app with modern CSS techniques to mimic the Netflix interface, including responsive design for mobile and desktop views. Deployed the app on Firebase Hosting for seamless deployment and hosting.
